Visiting AFS Students

Even before school started AFS was busy participating in their first bus stop—eight foreign exchange students spent four days in Georgetown. A pot-luck dinner was held in September to welcome Leonardo Rodriguez (Brazil) to Georgetown and John Benintendi home from Findland. Leo's host family was Dr. and Mrs. Robert Benintendi and family.

Other activities included sponsoring a foreign exchange day at school, helping with the book fair, attending the International Folk Festival and The Nutcracker, and having a Christmas party. Money-making projects included helping the adult AFS group sell brats and mets at the Antique Machinery Show, having a bake sale, and sponsoring a dance.

Flags representing the countries of GHS's foreign exchange students were purchased and used to decorate the AFS float in the Brown County Fair and the Christmas parades. These flags are on display in the high school.

The 1986 Georgetown band proved to be one of the best in several years. In March the band received three Excellent (II) Ratings in District Competition at Washington Court House. With their first place trophy from the U.C. Homecoming Parade in November, the band students have distinguished themselves as a great band and have brought a lot of recognition to our school and community.

The band also participated in many traditional functions such as the own County Fair, the Christmas parade, Homecoming, Grant's Birthday elebration, Memorial Day, and our two annual concerts at Christmas and e end of the year. Other noteworthy events were the Felicity Gourd Festival d Miami University Band Day. All in all, this has been a most exciting and warding year for the G.H.S. band.

The G.H.S. choir has worked very hard this year to provide top quality entertainment. The Christmas concert was an unqualified success. With full costume, taped accompaniment, and props and lighting, many were able to participate in the production of the show. Area concerts during the holiday season included the Methodist Women's Group, Senior Citizen's Center, Georgetown, Meadowood, and Georgetown Villa Nursing Homes, and the hospital. The Spring Music Festival held at Ripley High School included several favorite numbers, while the 1986 G.H.S. Variety Show "'86 Feel the Heat" ran for two nights with many spectacular highlights.

The night of May 19, 1986, was most memorable for the juniors and seniors who attended the prom at the high school gym. The theme of "In the Pink" was carried out beautifully in the decorations and flowers. John McIntosh and Rachel Carter were announced as the King and Queen. Junior Class President, Shawn Gallagher, welcomed the seniors and Steve Wolfe, Senior Class President, gave the response. In spite of the heat, everyone enjoyed the evening dancing to music by the "Classix".

Who are the Contras?

Are they a rock band? Are they a breath mint? Are they the family that lives next to the Huxtables in TV land? A little more than half of you weren't sure; the rest correctly identified the Contras as the rebels who are fighting the Sandinista government in Nicaragua.
